

Give a camper the opportunity to go to camp by donating to our campership fund!

Discover, reconnect and celebrate God in the great outdoors!

As United Methodists, we take pride in our open hearts, open minds, and open doors. In the North Carolina Conference, we have three incredible places to live those out in the out-of-doors. At Camps Chestnut Ridge, Don Lee and Rockfish, lives are being transformed through the love of Christ every day, every week-end and certainly every summer.

Our sites are amazing places for children in the summer, but they are more than that too! All three are open year round hosting school groups, families, and youth and adult retreats. Come to one of our sites with a group from your church and prepare to be spiritually refreshed!

Our award winning summer camps are ready to embrace the children and youth from your church and community.

So pack them up! Send one or send them all! Let us fill their days with fun, adventure, laughter and show them Christian community like they've never experienced it before.

Are you or do you know a college student who is looking for a meaningful summer? A job or internship at camp might just be the best summer yet!
