PEER₂PIER

Engraved Stone and Brick Acknowledgment Opportunity

If you have determined that you want to donate \$1000 to help Don Lee rebuild 3 feet of the pier, you will be recognized with a 12" x 12" stone paver that has your choice of name(s) and text engraved upon it. Your stone will be placed as a commemoration of your generosity into a small-group gathering patio to be built within sight of the pier. The patio will surround a rustic ship anchor, a long time symbol of Camp Don Lee and a reminder that God is our anchor in the storm.

If you choose to donate \$350 to help Don Lee rebuild 1 foot of the pier, you will be recognized with a 4" x 8" brick with your choice of name(s) and text engraved as an acknowledgment of your gift. These bricks will also be used to build the small-group gathering patio alongside the 12" x 12" pavers.
