## Good Ol' Sunday Dinner

Sunday Dinner was, at one time, a big deal for many families. After church, everyone would gather for a huge Sunday Dinner. Grandmother invited all the children, grandchildren, aunts, uncles and family friends to a big special meal.

Everyone joined around the table for great food and an opportunity to catch up with the whole family. The table was filled with favorite foods and special desserts. After dinner parents enjoyed sitting on the porch while kids played in the yard and everyone got a change to visit.

Sunday Dinner was not just about a great meal. It was an event.

Don Lee hopes to create just a little of that same experience with your family and friends again in 2012. Each Sunday afternoon we will prepare a feast of a buffet, featuring always, the world famous Camp Don Lee Fried Chicken and a full assortment of amazing supporting foods. The Don Lee Food Service Chefs will surprise and delight you. There will be plenty of food, a comfortable atmosphere, and good hospitality.

*We have rocking chairs on the porches, a fire in the fireplace, and a beautiful setting to spend a little time visiting family and friends.*

## How does this work?

Everyone is invited. Bring yourself or a whole crowd. If you know you will have a large group, call us a little ahead.

When you arrive, you will check in on the Dining Hall porch and purchase your tickets for Sunday Dinner. You will then be able to go into the dining hall to join others in an atmosphere of a shared meal.

Your table will include new friends and great conversations. No "kiddie table" necessary- everyone is welcome at the "big people" table.

There will be plenty of space for the children to leave the table and play on the courts or in the field while stories continue around the table.

Each Sunday will be a little different with menu changes and theme atmosphere. There will always be food and excellent hospitality.

As so many have said, "Camp Don Lee food is not like any camp food you have ever had." You will leave filled with abundance of love and great food.
